The Campus Student Portal includes useful features for students and is optimized for use on mobile devices and tablets.

In Campus Student, navigate between tools in the menu on the left. On mobile devices, this menu shrinks to a "hamburger" or "three bars" icon to save space.

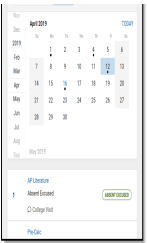

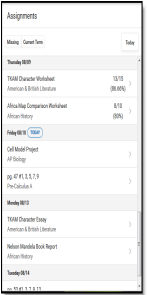

Click the Person icon in the top right to log out or view [Notification Settings](#). To switch to the previous Portal, click the Students dropdown and select Portal.

Message Center

The Message Center includes announcements posted at a school or district level. Click *Show More* to display additional text for longer announcements. Announcements display based on the timeline set by the creator and cannot be deleted or archived.

Additionally, the Inbox displays messages sent to the student, including those from teachers and the Surveys tab displays surveys given to students.

Food Service

The Food Service tool allows students access to the following food service information:

- Current account balances
- Transactions (food item purchases, account deposits of cash, check and credit card, when enabled)
- Account history (historical transaction records)
- Account adjustments (debits/credits)

 The link to the Food Service tool does not display for everyone. Specific school operations and settings determine whether this link displays.

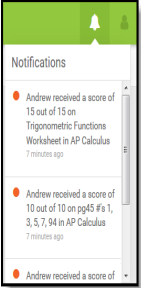

More

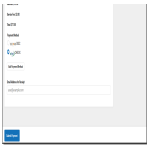

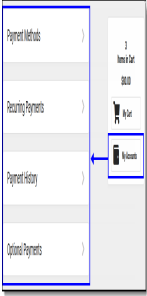

The More tab displays the following:

- **Address Information** for the student's household(s).
- **Assessments** that list the student's test scores for state, national and district tests.
- **Behavior** incident information that displays any behavior events in which the student was involved.
- **Demographics** information for the student and any non-household relationships.
- **Family Information**, including contact information for family members.
- **Health Information**, including recorded vaccinations, immunizations and screenings.
- A list of Learning Tools for students to browse learning materials.
- **Lockers** assigned to the student with locations and combinations.
- The **Meal Benefits** application
- **Transportation** information including buses and parking permits.
- **Activities** in which the student is involved (clubs, sports, etc.)
- If the district is using **Online Registration**, those tools display here.
- **Important Dates** such as holidays, late starts, and other school calendar events.
- **Course Registration**, where students (and parents) can request courses for the next school year. See the [Course Registration](#) article for more information.

The Quick Links section displays the websites for the districts and

	<p>schools in which the student is enrolled, if available.</p> <p>Users may be able to update address information, demographic data and family information (this requires the district to turn on certain preferences). When these preferences are turned on, parents and guardians may submit updates for their household information.</p>	
<p>Academic Plan</p>	<p>The Academic Plan displays the student's assigned Academic Program and the courses the student has planned to take in each school year. Students can add courses to their plan, and print their Course Plan and their Progress Report from here.</p> <p>See the Academic Academic Plan (Campus Student) article for more information.</p> <p>It's recommended that the Academic Plan be viewed on a larger device, if possible.</p>	
<p>Notifications</p>	<p>The Notifications dropdown list shows a simple list of notifications the student has received, such as graded assignments.</p> <p>Click the user menu at the top right of screen to establish Notification Settings.</p>	
<p>Responsive Scheduling</p>	<p>The Responsive Scheduling tool lets users select which sessions to attend for an upcoming responsive day. Available offerings are listed for each available responsive period.</p> <p>See the Responsive Scheduling article for more information.</p>	
<p>Discussions</p>	<p>The discussions list collects all discussions assigned to the student, both those aligned to assignments and those that aren't. Click a discussion to respond to the teacher's prompt or respond to a classmate. Scored discussions are indicated by the  icon.</p> <p>Students can also access discussions aligned to an assignment through that specific assignment.</p> <p>inappropriate content can be flagged, which alerts the teacher that there is content which should be reviewed.</p>

Links in Campus Student

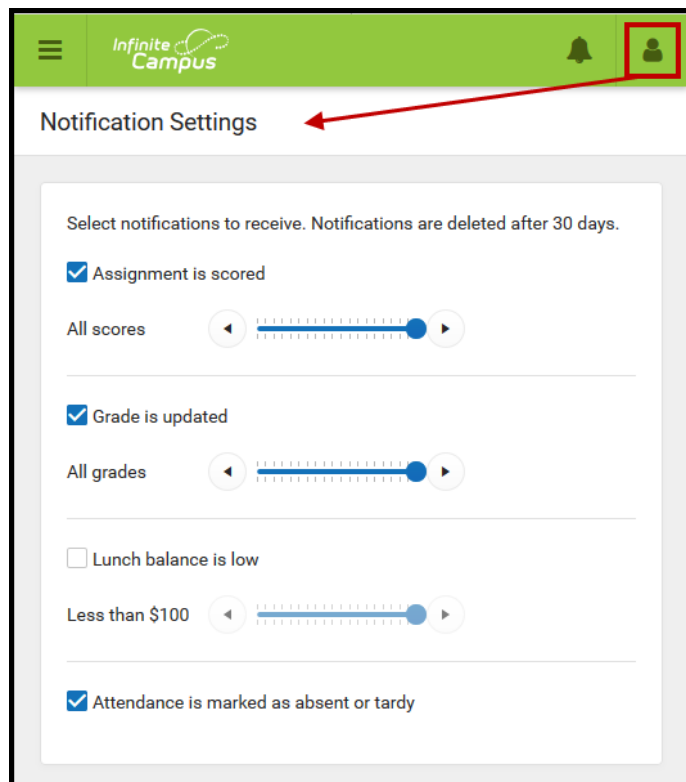

In various areas of Campus Student, clicking links opens details for items such as assignments and courses.

Available Link	Description	Example Image
<p>Assignment</p>	<p>Click on an assignment to view details, such as dates, scoring information, and the description. Files attached by teachers and submission options also display on this screen, as applicable.</p>	
<p>Course Name</p>	<p>Click on a course name to view the Course/Section number, Period, Room, section Website, and any upcoming assignments.</p>	
<p>Counselor Email</p>	<p>From the Course detail, click the counselor's email to discuss schedule changes (a preformatted email form displays), or discuss other topics with your counselor.</p>	

Notification Settings

Notification settings allow users to opt out of receiving specific kinds of notifications and establish thresholds for those they want to receive. Set thresholds to only receive notifications when a grade or score falls below the selected percentage or a lunch balance falls below the selected dollar amount. From the User Menu, select Settings, then Notification Settings. Click the arrows to change the threshold or click and drag the dot.

Notifications are not sent for any tools that have been disabled by the district. Only districts using Campus Food Service receive low balance notifications.

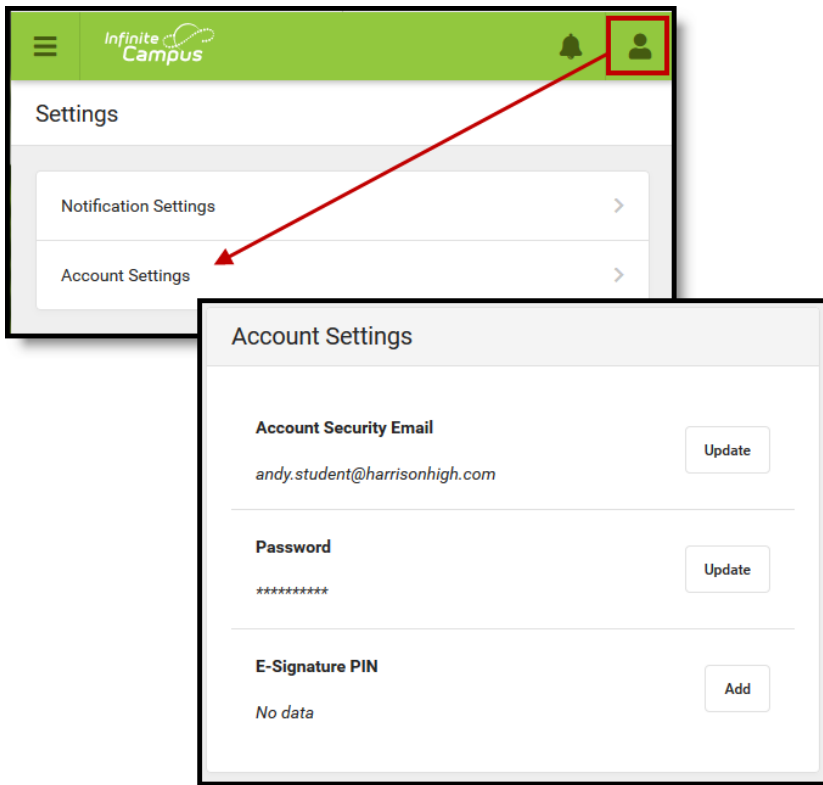

Enable notifications and set thresholds to determine when notifications are sent.

Account Settings

Account settings allow users to update their security email on record or to change their Password and E-Signature PIN. From the User Menu, select Settings, then Account Settings.

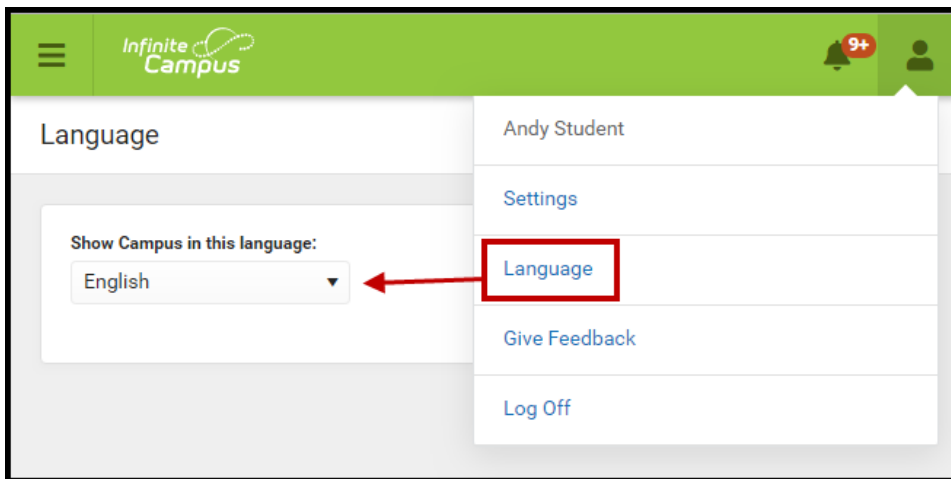

- The Account Security Email is the email used if a user forgets their username or password.
- Passwords can only be modified if the district has enabled Password Reset. Strong passwords are enforced, meaning that passwords should have a mix of letters, number, and characters to make them more secure.
- E-Signature PINs are used to electronically verify and sign Meal Benefit Applications. This field is only available if enabled by the district.

Access Account Settings to update basic account information.

Language

From the user menu, click **Language** to change the language that Campus Student displays in. Campus provides translations into Spanish and Chinese; districts may provide additional translations.

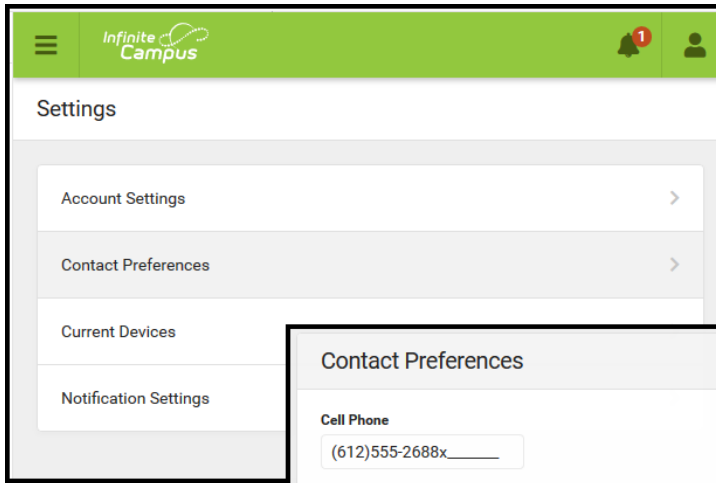

Select a Language to translate Campus Student. Spanish and Chinese translations are provided by Campus.

Contact Preferences

Manage your contact preference by selecting the desired language and when you receive message, and how you receive that message (phone call, email, or text message). If your school has turned on certain options, you may be able to modify your phone numbers and email addresses.

From the **User Menu**, select **Settings**, then select **Contact Preference**. Review existing contact information (phone numbers and email addresses), enter any updates, and mark your desired Messenger Preferences. When phone and email changes are made, an email notification acknowledging the change is sent to the individual, alerting them to changes they may not have made.
