

Marshall High School Plant Sale  
2015 Guide to Flowers

Plant Type	Information	
<b>Shade loving plants</b>		
<p>Coleus – black dragon</p>		<p>Black Dragon - richly-textured, warmly-colored foliage plant. Compact, very showy, and easy to grow 12" tall, shade to part shade</p>
<p>Begonia – mixed</p>		<p>Heat tolerant, Shade to part shade  8-12 inches tall, space 12 – 16 inches apart  Landscape or container plants</p>
<p>Impatiens – pastel mix and paradise mix</p>		<p>Perfect for beds and borders, remove old blooms to encourage new growth  Shade 8"-10" tall space 12" – 14" apart</p>
<b>Sun loving plants</b>		
<p>Geranium – white, red and salmon</p>		<p>Full sun 10"-12" tall</p>
<p>Osteospermum</p>		<p>"African Daisies"; a deep blue center, surrounded by long petals of white, lavender-blue, or deep purple. Remove spent blossoms. Sun-loving and very forgiving of harsh conditions, they deserve a place of honor in your garden!  Full Sun Height: 18 – 20" Spacing: 24" apart</p>

<p>Dinanthus mix</p>		<p>Full sun to part sun  Height: under 1 foot  Spread: up to 1 foot</p> <p>Generally grown as an annual where winters are very cold, although it is a perennial. After flower where it is to remain in place for another year, shear off the tops containing the spent flowers. Make a spectacular display of color in the spring and summer garden in borders, mass plantings and as a seasonal ground cover.</p>
<p>Gazania – strawberry shortcake and new day</p>		<p>Gazania bloom repeatedly and attract bees, butterflies, and birds. For use in beds or containers</p> <p>Light: Full Sun  Mature Height: 6-12 inches  Average water needs, water regularly, do not overwater - drought tolerant  Spacing: plant 6-9 inches apart</p>
<p>Wave petunia – pink, violet, blue, flag mix, white</p>		<p>Easy Wave™ Petunia</p> <p>The fast-growing plants bloom freely all season in landscapes and containers without cutting back, and tolerate both heat and cooler conditions very well. Flower-filled plants grow a little more mounded than original Wave, with a more controlled spread.</p> <p>Tips: Cut back occasionally to promote new growth  Spreading habit: grows great in containers, borders, flower beds</p> <p>Prefers full sun, plant 10"-15" apart  Full Height = 6-12"; Width 30"-39"  Tolerant of cool and hot condition</p>
