

2020 Summer School Course Descriptions

Summer School Registration will continue to be open on Infinite Campus through Monday, July 6th. If you have questions please contact Marshall Public Schools Summer School Director Rich Peters at rpeters@marshallschools.org Please note that classes being offered are for students in their incoming grade for the school year 2020-21.

(All INCOMING EC/4K-3rd GRADERS WILL REGISTER FOR THEIR OWN GRADE SECTION OFFERING)

"Ad Agency" - Teacher - Tara Michalak

This is a great class if you love design, creative thinking, and want to be a business leader someday! Mrs. Michalak will help you have fun making up advertisements for products that already exist--and get ready to put your artistic and creative abilities to work making new ones! We will write, design, and present our ads. It is a creative, fun class where you are the star of your ad agency.

Session 1: Period 1

Grades: 4-6

Location: C221 - Elementary School

Maximum Student Capacity: 24

Advanced Fitness - Teacher - Dan Denniston

HS class offering for students interested in improving their strength and speed through the weight room and cardiovascular workouts. This class is available for HS credit, please speak to Mr. Denniston ahead of time to coordinate that.

Session 1: (Periods 1 & 2) or (Periods 3 & 4)

Session 2: (Periods 1 & 2) or (Periods 3 & 4)

Grades: 9-11

Location: High School Weight Room

Maximum Student Capacity: 24

Art, Environment & You! - Teacher - Sara Rosewicz

Come explore your creative side while spending lots of time outdoors and getting active in our awesome environment. Practice your drawing and painting skills, while also exploring alternative art forms such as sculpture and temporary art from nature while being active and enjoying/discovering the environment around us!

Session 1: Periods 1-2, 3-4 (2 hour classes)

Grades: 6-8

Location: Middle School Art Room & MPS Outdoor Campus

Maximum Student Capacity: 15

Badminton/Pickleball - Teacher - Erin Young

This class will spend half of the session playing each game. Students will learn strokes, rules, and scoring while playing these games with their classmates.

Session 1: Period 1

Session 2: Period 1

Grades: 4-8

Location: High School Gym

Maximum Student Capacity: 24

Baseball/Softball - Teacher - Erin Young

Students will learn the basic skills and rules associated with these sports while playing games with their classmates.

Session 1: Period 3

Grades: 4-8

Location: High School Gym

Maximum Student Capacity: 24

Basketball - Teacher - Erin Young & Michael Place

Students will learn the basic skills and rules associated with basketball while playing games with their classmates.

Session 1: Period 4

Session 2: Period 1 (Michael Place - ES Gym) Period 2 / Period 3

Grades: 4-8

Location: High School Gym or ES Gym-Dependent on Teacher

Maximum Student Capacity: 24

Beginning Rockets - Teacher - Kellie Kubiak

How do things fly? Build them and find out! We will spend one week making paper objects to fly, and then build and fly a model rocket.

Session 2: Period 2

Grades: 3-4

Location: B135 - Elementary School

Maximum Student Capacity: 24

BFS (Bigger, Faster, Stronger) - Teacher - Erin Young

This is the perfect introductory fitness class for students who are excited to start building some muscle and endurance. Students will learn the basics in crossfit, weight training, running, and plyometrics! Start your afternoons out with some sweat all while helping you prepare for athletic endeavours down the road or just improving your overall health and well being.

Session 1: 12:30 pm - 2:00pm

Session 2: 12:30pm - 2:00pm

Grades: 6-8

Location: High School Weight Room

Maximum Student Capacity: 24

Chess - Teacher - Tara Michalak

From beginner to advanced, Mrs. Michalak will help you learn the ins and outs of this classic board game while participating with classmates. If you love competition, we can set up some friendly contests--or, if you just want to enjoy a game with peers, we can just play for fun as well! A chess set will be provided if you need one!

Session 1: Period 4

Session 2: Period 3 Teacher Michael Place

Grades: 4-8

Location: C221 - Elementary School, C148 - Elementary School

Maximum Student Capacity: 24

Coding Craze - Teacher - Cynthia Young

Learn the basics of computer coding!

Session 1: Period 1

Session 2: Period 1

Grades: 4-8

Location: C223 - Elementary School

Maximum Student Capacity: 24

Computer Gaming - Teacher - Rachel Thomas

How many times are you told to put your gaming device away? In this class you may have your device out as you wish! Let's have some fun while playing and exploring a multitude of computer games and apps. Ones you already know, and new ones you want to learn more about! Learn some techniques and tricks to teach your friends and family. Students should bring a digital device or use a school device to practice each day's lesson.

Session 1: Period 2 and Period 3

Session 2: Period 2 and Period 3

Grades: 4-8

Location: B134 - Elementary School

Maximum Student Capacity: 24

Comprehend and Click - Teacher - Miss Gilbertson

***Can only register by teacher invitation.** Let's take our reading skills to the next level! During Comprehend and Click we will work online to practice different reading skills to get you ready for next school year! :) You will also get to explore other reading materials online of your choice!

Session 1: Period 3

Session 2: Period 3

Grades: 4-6

Location: C151 - Elementary School

Maximum Capacity: 15

CSI Marshall - Teacher - Ms. Tester

A crime has occurred! It is your job to discover the truth behind the scenes. In this class, students will learn how to use forensic science to help uncover mysteries and learn about how real-life crimes get solved both now and in the past.

Session 1: Period 2

Session 2: Period 1

Grades: 4-8

Location: C223 - Elementary School

Maximum Student Capacity: 24

Digital Dazzlers - Teacher - Rachel Thomas

The world is becoming more and more advanced with technology. Students are using this technology in their homes, personal lives, and at school. There is so much they know, but still more they can learn! In this class they will practice some tips and tricks on digital photo editing, latest apps, ways to be creative and safe ways to use social media. Students should bring a digital device or use a school device to practice each day's lesson.

Session 1: Period 1

Session 2: Period 1

Grades: 3-8

Location: B134 - Elementary School

Maximum Student Capacity: 24

Drawing and Cartooning - Teacher - Tara Michalak

This class will be fun for the beginner to the expert artist. We will be learning drawing strategies with Mrs. Michalak and we will also have time to both learn new strategies and have fun creating drawing methods of our own from our imaginations or website ideas and tutorials!

Session 1: Period 3

Session 2: Period 4

Grades: 4-8

Location: C221 - Elementary School

Maximum Student Capacity: 24

ECO Art - Teacher - Rachel Thomas

If you think nature is beautiful and you like to be creative, then this class is for you! We will learn about the environment and create art projects with the materials we find outdoors.

Session 1: Period 4

Session 2: Period 4

Grades: 4-8

Location: B134 - Elementary School

Max Student Capacity: 24

English for Beginners - Teacher - Nicole Stamm

***Can only register by teacher invitation. In this class, students who are new to the English language or are still learning English will get to practice their English skills in reading, writing, speaking, and listening. We will work on all four of these areas while also reviewing academic concepts that were previously learned in math, language arts, science, and social studies

Session 1: Period/s 1&2

Session 2: Period/s 1&2

Grades: 3-6

Location: Room: C225 - Elementary School

Maximum Capacity: TBD

Escape Room - Teacher - Kellie Kubiak

Ever wondered what the latest craze regarding escape rooms is all about? Here is your chance! Students will participate in trivia and problem solving in order to complete escape room tasks. Students will also work to develop and create their own escape rooms for others to try.

Session 1: Period 1

Session 2: Period 3

Grades: 4-8

Location: B135 - Elementary School

Max Student Capacity: 24

Introduction to Our Esports Team - Teacher - Shane Millin

Get started in our Esports program by learning and practicing various competitive team-based video games. We will dig into games such as Rocket League, League of Legends, Overwatch and Super Smash Brothers.

Session 1: Period 2, Period 3

Session 2: Period 2, Period 3

Grades: 7-12

Location: High School Esports Room next to IMC

Maximum Student Capacity: 15

EXCEL - Teacher - Becky Denniston

EXCEL is a workout class for girls who want to improve their strength, conditioning and mind set. It's a 2 hour course that starts with dynamic stretching, cardio and core. Then we move into the weight room and we work through a lifting session and finish with a "mini" crossfit challenge. Students who attend both sessions are also eligible for a ½ credit of PE.

Session 1:

Period 1 & 2 (8 am - 10 am)

Period 3 & 4 (10 am - 12 pm)

Session 2:

Period 1 & 2 (8 am - 10 am)

Period 3 & 4 (10 am-12 pm)

Grades: 8-11

Location: High School Weight Room and Fitness Room

Maximum Student Capacity: 20

Exploratory Spanish 1 - Teacher - Mrs. Grossman

¡Bienvenidos, estudiantes! Are you interested in learning a new language? Begin to learn some of the basics of the Spanish language. We will learn greetings, numbers, colors, foods, and animals. We will also explore elements of Latino culture, including food, music, art, and activities.

Session 1: Period 4

Grades: 4-5

Location: B-132

Maximum Student Capacity: 24

Exploratory Spanish 2 - Teacher - Cynthia Young

¡Bienvenidos, estudiantes! Are you interested in learning a new language? Begin to learn some of the basics of the Spanish language. We will learn greetings, numbers, colors, foods, and animals. We will also explore elements of Latino culture, including food, music, art, and activities.

Session 1: Period 3

Session 2: Period 3

Grades: 6-8

Location: C223 - Elementary School

Maximum Student Capacity: 24

Intro to Fitness - Teacher - James Crockett

Sometimes getting into shape can be intimidating. This laid-back class will help students transition into leading a healthy lifestyle through fitness and nutrition.

Session 1: Period 3

Session 2: Period 3

Grades: 4-8

Location: B-200

Maximum Student Capacity: 24

Intro to Journalism - Teacher - Michael Place

Students will explore the different types of news outlets (print, TV, online) and create news articles to show what we have learned throughout the year. We will practice different types of journalism writing. Quick news events, longer opinion articles, and sports journalism are samples of what you would expect to see and your students to learn more about.

Session 2: Period 4

Grades: 4-8

Location: C148 - Elementary School

Maximum Student Capacity: 24

Exploring our way into 4K (Incoming 4K Students) - Teachers - Rachel Weaver & Megan Tickner

If your child is an incoming 4K student then this is the class for you! Over the course of the two three week sessions we will be learning all about different animal groups, gardening, insect exploration and so much more! During the summer we will learn many pre academics skills to get geared up for 4K, we will practice with scissors, coloring, working on fine motor muscles, learning how to make friends and manage our feelings! Students enrolling will be placed in classes based on 2020-21 class list assignments.

Session 1: 8 am - Noon (Includes snack)

Session 2: 8 am - Noon (Includes snack)

Grades: Incoming 4K Students

Location: Rooms 202 & 203 - Early Learning Center

Maximum Student Capacity: Unlimited

Flag Football - Teacher - Mr. Springer

If your son or daughter likes football or has expressed interest in the game, they will love this class! From beginners to the more experienced football player. Whether students want to improve their skills or just have fun this class will be a positive experience all while helping each child become a more inspired football player. Mr. Springer will teach individual flag football skills like passing, receiving, running drills, and strategy but also develop teamwork, build character, and life skills through football. Come join the fun to improve your football skills or just compete, this class is for everyone!

Session 1: Period 4

Session 2: Period 4

Grades: 4-8

Location: MES-Gym

Maximum Student Capacity: 24

Games, Games, and More Games - Teacher - Stefanie Steinagel

The worst part about summer is being bored. Let's change that! This class is going to introduce you to a whole variety of different games. From card games to board games and so much more. We will EXPLORE it ALL!

Session 1: Period 4

Session 2: Period 4

Grades: 4-8

Location: B133 - Elementary School

Maximum Student Capacity: 24

Gearing Up For Second Grade - Teachers - Debb Lins & Jensen Dornbos

Incoming 2nd graders only This course is designed to help your new 2nd grader practice important literacy, math, and STEAM skills (Science, Technology, Engineering, Art, and Math) which will keep first graders ready for the fall! Get ready for interesting and exciting classes taught by ELC staff members. We will have lots of summer fun art, Leadership (formerly Guidance), cooking with easy to make recipes, science experiments, and days of fun! Students enrolling will be placed in classes based on 2020-21 class list assignments.

Session 1: 8 am - Noon

Session 2: 8 am - Noon

Grades: Incoming 2nd Grade Students

Location: Location: ELC rooms 205 (Timm) & 204 (Lins) - Early Learning Center

Maximum Student Capacity: Unlimited

Geocaching - Teacher - Cynthia Young

There's treasure everywhere! Students will learn about this fun outdoor treasure hunt by strengthening map reading skills and using geographic coordinates to hunt for hidden indoor and outdoor treasures. Students will also visit an actual Geocaching site right here in Marshall!

Session 1: Period 2

Session 2: Period 2

Grades: 4-8

Location: C223 - Elementary School

Maximum Student Capacity: 24

Getting Ready for Kindergarten - Teachers - Lisa Blake, Andrea Showers, Lauren Saxon, Ingrid Timm

Incoming kindergartners only Welcome to Kindergarten! Students will get to know some of the kindergarten teachers, while exploring summer fun activities connected to literature. We will incorporate art, math, literacy and large motor lessons, social-emotional skills, as well as some of the routines that they will experience once they enter Kindergarten in the fall! Students enrolling will be placed in classes based on 2020-21 class list assignments.

Session 1: 8 am - Noon

Session 2: 8 am - Noon

Grades: Incoming Kindergarten Students

Location: Location: ELC rooms 204D (Blake) & 204E (Saxon) 206 (Showers) - Early Learning Center

Maximum Student Capacity: Unlimited

Gym Class Throwback - Teacher - Kaylee Olson

Ever wondered what kind of games your parents played in phy ed? Here is your chance!

Session 2: Period 3

Grades: 4-8

Location: Middle School Gym

Maximum Student Capacity: 24

HS English Credit Recovery - Teacher - Tena Hartman / Mark Bleifuhs

HS students who are in need of English credits have an opportunity to recover those credits through summer school.

Session 1: Periods 1-4 Tena Hartman

Session 2: Periods 1-4 Mark Bleifuhs

Grades: 9-12

Location: HS Classroom 314

Maximum Student Capacity: Unlimited

HS Math Credit Recovery - Teacher - Lauren Daering / Jessie Fritch

HS students who are in need of finishing up work in the self-paced math curriculum can attend summer school as they are able to complete their semester course work and receive credit.

Session 1: Periods 1-4 Joe Schneider / Jessie Fritch

Session 2: Periods 1-4 Joe Schneider / Jessie Fritch

Grades: 9-12

Location: HS Classroom 201

Maximum Student Capacity: Unlimited

I'm Hooked - Teacher - Stefanie Steinagel

Grab some yarn, a crochet hook, your perseverance and a smile and that is all you need to crochet. From the beginner to someone who has crocheted for years, this class will teach you the basics and/or some advanced stitches to help you create some wonderful works of art.

Session 1: Period 3

Session 2: Period 1

Grades: 4-8

Location: B133 - Elementary School

Maximum Student Capacity: 20

Intro to Middle School PE - Teacher - Laura McCarty

Students who sign up for this class will choose a sport they want to focus on for the three weeks of class. I will help individualize a fitness plan that will specifically work the muscles needed for that sport. We will also plan out skills and drills for your students to work on each day to help improve their overall abilities within that specific sport.

Session 1: Period 4

Grades: 4-8

Location: Middle School Gym

Maximum Student Capacity: 15 students

Intro to Guitar - Teacher - James Crockett

Have you ever wanted to learn how to play guitar? Well, here's your chance! Students will learn basic chords, strumming patterns, and songs. Students will also set personal goals to become the best guitar players they can be! We will learn tuning, parts of guitar, finger positions, strings, positioning, strumming, 12 major chords, fingerpicking songs and chorded songs!

Session 1: Period 2

Session 2: Period 1

Grades: 4-8

Location: Center Stage - Elementary School

Maximum Student Capacity: 12

Intro to Ukulele - Teacher- Mrs. Jenkel

Have you ever wanted to learn how to play ukulele? Well, here's your chance! Students will learn basic chords, strumming patterns, and songs. Students will also learn how to read music and set personal goals to become the best ukulele players they can be! Daily lessons will be placed on SeeSaw that include video instruction from Mrs. Jenkel, play-along videos, and fun activities! Mrs. Jenkel will offer one-on-one lessons and "office hours" on Google Meet to help students meet their personal goals. Students will be provided with a lesson book and if needed, a ukulele, to be used during the summer school course.

Session 1: Period 3, 4

Session 2: Period 3, 4

Grades: 4-8

Location: Music Room- Elementary School

Maximum Student Capacity: 12

Invent, Create, Action - Teacher - Ms. Tester

Have you ever wanted to invent and create something new? In this class, you will get the opportunity to imagine and create some masterpieces out of objects that we typically throw away or ignore! Students will get creative and have fun writing and advertising for their creations.

Session 2: Period 4

Grades: 4-8

Location: C223 - Elementary School

Maximum Student Capacity: 24

K'Nex Engineering - Teacher - Kellie Kubiak

If you like to build things and have a creative mind, then this class is for you! We will build some basic structures moving on to bridges and amusement park rides. You will get to engineer solutions to unique challenges that do not have one solution.

Session 1: Period 2

Grades: 4-8

Location: B135 - Elementary School

Maximum Student Capacity: 24

Let's Get On Stage - Teacher - James Crockett

This class features totally fun, sometimes crazy "make up as you go" activities designed to make students think on their feet. Activities will include active games and short skits that activate the imagination! See you Center Stage!

Session 1: Period 1

Session 2: Period 2

Grades: 4-8

Location: Center Stage - Elementary School

Maximum Student Capacity: 24

Little Sprouts Summer Camp - Teachers - Kasie Duffy & Sydney Kane

Calling all three year olds! This camp is for you. In this "class" we will explore early childhood development including social skills, through peer interactions. Students attending this summer camp have the opportunity to participate in Early Childhood Screeners and potentially become peer models in the Little Sprouts Early Childhood classroom for the 2020-2021 school year. Students must be 3 before September 1st 2020.

Session 1: Periods 1-4

Session 2: Periods 1-4

Grades: Potential Peer Models - 3 Year Olds

Location: 208 - Early Learning Center

Maximum Student Capacity: Unlimited

Math 24 and More - Teacher - Mr. Springer

Polish up those math 24 skills and other fun math games.

Session 1: Period 2

Session 2: Period 2

Grades: 4-8

Location: B132 - Elementary School

Maximum Student Capacity: Unlimited

Math Mania 3-4 - Teacher - Ms. Tester

***Can only register by teacher invitation.** Keep your math skills sharp over the summer with some fun with numbers.

During this fast-paced class, you will rotate to different learning stations. Stations include Mobymax - a computer program that provides lessons designed to be just right for you. Another station provides challenging problems and puzzles to be solved by you or a team. The last station is designed to boost your fact power, whether it be addition or multiplication.

Every week, you'll have the chance to play fun math games and win prizes!

Session 1: Period 3

Session 2: Period 3

Location: C223 - Elementary School

Maximum Student Capacity: 15

Math Mania 5-6 - Teacher - Mr. Springer

***Can only register by teacher invitation.** Keep your math skills sharp over the summer with some fun with numbers

Session 1: Period 3

Session 2: Period 3

Grades: 5-6

Location: B132 - Elementary School

Max Student Capacity: 15

Math Rewind 3rd Grade - Teacher - Ms. Tester / Mrs. Michalak

***Can only register by teacher invitation.** Get ready to speed back in time! This class will give you the chance to rewind and get extra practice on the math skills you learned in 3rd grade. You will practice addition with regrouping, subtraction with trading, multiplication, division, money, measurement, and much more! *Every week, you'll have the chance to play fun math games and win prizes!* Get yourself prepared for a great start to 4th grade math!

Session 1: Period 4 - C223 - Ms. Tester

Session 2: Period 3 - C221 - Mrs. Michalak

Grades: 3 **Maximum Student Capacity:** 15

Math Rewind 4th Grade - Teacher - Mrs. Michalak

***Can only register by teacher invitation.** This class offers you the opportunity to revisit important math skills you learned last year, giving you a boost for next year!

Session 1: Period 2

Session 2: Period 2

Grades: 4

Location: C221 - Elementary School

Maximum Student Capacity: 15

Math Rewind 5-6 - Teacher - Mr. Springer

***Can only register by teacher invitation.** This class offers you the opportunity to revisit important math skills you learned last year, giving you a boost for next year!

Session 1: Period 1

Session 2: Period 1

Grades: 5-6

Location: B132 - Elementary School

Maximum Student Capacity: 15

Movie Critic - Teacher - Ms. Tester / Mr. Crocket

Lights, Camera, Action! Do you love to watch movies? Then this is the class for you! We will help students go one step further than just watching the movie by helping each of them to become a critic and create a movie review to share.

Students will not only get to watch a variety of G and PG rated movies but will think more critically about what they've

watched and share their thoughts through writing. If you want to have fun and work on your writing through the summer, this is the class for you!

Session 1: Period 4 Mr. Crockett

Session 2: Period 2 - C223 - Ms. Tester

Grades: 4-8

Location: C223 - Elementary School

Maximum Student Capacity: 24

MS L.A. - Teacher - Mr. Jansen

Students will work on reading and writing, close-reading skills, and eventually build up toward a full five paragraph essay.

Session 1: Periods 3 and 4

Session 2: Periods 3 and 4

Grades: 7-8

Location: B209 - Elementary School

Maximum Student Capacity: 15

MS Math - Teacher - Mr. Jansen

Students will work on pre-algebra and algebra skills during this 2 hour course in session 1 & geometry skills on session 2.

Session 1: Periods 1 and 2

Session 2: Periods 1 and 2

Grades: 7-8

Location: B209 - Elementary School

Maximum Student Capacity: 15

Out For a Stroll - Teacher - Mrs. Grossman

Students will go for walks everyday. A great chance to get outside, see Marshall, explore and get some steps in!

Session 1: Period 1

Grades: 4-8

Location: Elementary Gym

Max Student Capacity: 20

Paper Crafting - Teacher - Stefanie Steinagel

Cards, squash books, scrapbook pages, wrapped chocolate and much, much more. Spend some time making beautiful gifts out of some paper and a little more. Come with your ideas and imagination to take a simple piece of paper, apply some math and a little glue and make it into a beautiful work of art!

Session 1: Period 2

Session 2: Period 3

Grades: 4-8

Location: B133 - Elementary School

Maximum Student Capacity: 20

Quick and Easy Cooking - Teacher - Jen Connelly

Have you ever wanted to prepare your own snacks for yourself or your family? Then this class is for you! Mrs. Connelly will teach how to prepare some quick and easy snacks and put the recipes together in a cookbook so you can make them at home! The best part? You get to eat the snacks that you create!!! Try smoothies, chicken quesadillas, orange dreamsicles, and more!

Session 1: Period 2,3,4

Session 2: Period 1,2,3

Grades: 4-8

Location: 5th Grade Hallway - Elementary School

Maximum Student Capacity: 16

Reading Rocks 3-4 - Teacher - Ms. Tester / Ms. Gilbertson

***Can only register by teacher invitation.** Do you love to read, but sometimes feel confused about the story or main idea? Then this is the class for you! In this class, you will learn how to determine importance, visualize, synthesize information, and tell the main idea. You will have the opportunity to select from a variety of just right books and read independently.

Session 1: C223 - Period 1 - Ms. Tester

Session 2: C151 - Period 1 - Ms. Gilbertson

Grades: 3-4

Location: C223 (Session 1) / C151 (Session 2) - Elementary School

Maximum Student Capacity: 15

Reading Rocks 5-6 - Teacher - Cynthia Young

***Can only register by teacher invitation.** Do you love to read, but sometimes feel confused about the story or main idea? Then this is the class for you! In this class, you will learn how to determine importance, make inferences, synthesize information, and tell the main idea. You will have the opportunity to select from a variety of just right books and read independently.

Session 1: Period 4

Session 2: Period 4

Grades: 5-6

Location: C223 - Elementary School

Maximum Student Capacity: 15

Relax and Read 3-4 - Teacher - Ms. Gilbertson

***Can only register by teacher invitation.** Relaxing (inside and outside!), reading, and getting lost in your books! What more could you ask for?! Come join us in the opportunity to read books of your choice! You will even get to confer with the teacher to enhance your reading skills and partner reading!

Session 1: Period 1 Ms. Gilbertson

Session 2: Period 1 Teacher Tara Michalak

Grades: 3-4

Location: C151 - Elementary School, C221 - Elementary School

Maximum Student Capacity: 16

Relax and Read 5-6 - Teacher - Ms. Gilbertson

***Can only register by teacher invitation.** Relaxing (inside and outside!), reading, and getting lost in your books! What more could you ask for?! Come join us in the opportunity to read books of your choice! You will even get to confer with the teacher to enhance your reading skills and partner reading!

Session 1: Period 4

Session 2: Period 4

Grades: 5-6

Location: C151 - Elementary School

Maximum Student Capacity: 16

Rockets - Teacher - Kellie Kubiak

How do things fly? Build them and find out! We will spend one week making paper objects to fly, and then build and fly a model rocket.

Session 2: Period 1

Grades: 5-8

Location: B135 - Elementary School

Max Student Capacity: 24

Sign Language - Teacher - Jen Connelly

If you've ever wanted to learn a new language, you will love this class! From beginners to those who know some basic fingerspelling already. Mrs. Connelly will teach you some basic sign language (fingerspelling, creating your name in sign language, food signs, animals, and summer signs) through fun games like Bingo and Jeopardy. You'll learn how to ask some basic questions and express some basic wants and needs. Come join the fun of learning how to talk with your hands, this class is for everyone!

Session 1: Period 1

Session 2: Period 4

Grades: 4-8

Location: 5th Grade Hallway - Elementary School

Max Student Capacity: 16

Sports Galore - Teachers - Mrs. Grossman & Kaylee Olson

A multitude of sports will be played throughout the session. Students will play sports such as basketball, baseball, matball, kickball, volleyball and more. Come join the fun!

Session 1: Period 3

Session 2: Period 2

Location: Elementary Gym(1st session) / Middle School Gym (2nd session)

Grades: 4-8

Max Capacity: 24

Stack Fast - Teacher - Stefanie Steinagel

Do you want to become better at your favorite sport? Speed stacking is a fun activity that is done by stacking 12 cups in many different stacks. As you become a faster stacker, your eye-hand coordination (along with many other skills) will improve. It's a great activity for anyone who just wants to have some fun. Be ready to be challenged by yourself and by others in the class! Ready, set, STACK!

Session 1: Period 1

Session 2: Period 2

Grades: 4-8

Location: B133 - Elementary School

Maximum Student Capacity: 24

STEAM - Teacher - Kellie Kubiak

Students will explore real life problems and challenges that adults are working to solve today. They will design creative solutions to these problems using all of the aspects of *STEAM* (Science, Technology, Engineering, Art, and Math).

Session 1: Period 4

Session 2: Period 4

Grades: 4-8

Location: B135 - Elementary School

Max Student Capacity: 24

Stepping Into 1st Grade - Teachers - Jen Tranberg & Logan Hennessy

Incoming 1st graders only* Help prepare your child for 1st grade by continuing to work on important academic and social-emotional skills in a fun and engaging way! The best part? We learn these important skills through games, themed units, outdoor learning, large-motor fun, art projects, and so much more. Don't let your child miss out on this exciting and entertaining way to get them geared up for 1st grade! Students enrolling will be placed in classes based on 2020-21 class list assignments.

Session 1: 8 am - Noon

Session 2: 8 am - Noon

Grades: Incoming First Grade Students

Location: Location: ELC rooms 210, 211, 212 - Early Learning Center

Maximum Student Capacity: Unlimited

Summer Agriculture - Teacher - Paula Bakken **(DO NOT NEED TO REGISTER ONLINE - Contact Paula Bakken)**

Contact Mrs. Bakken for registration and opportunities. Students in 7th grade and up can explore the ag industry and the outdoors through a variety of tours, outdoor activities, volunteer work, and leadership experiences. Note: this class has it's own calendar; activities are spread out throughout the summer. Calendar provided at the end of the school year.

Grades: 7-11

Team Sports - Teachers - Mrs. Grossman & Kaylee Olson

This class will explore a variety of sports where it is not just about the individual, it's about the team. We will play games such as basketball, matball, wiffleball, kickball. Come and have some fun playing sports on a team!
