**RECOGNITIONS FOR ACCOMPLISHMENTS**

The Board believes in the concept of recognition of students, staff, groups or individuals for outstanding achievements. Therefore, the Board shall recognize and commend such outstanding achievements as:

1. Outstanding service to the community and school.
2. Honors received for significant contributions.
3. Leadership and services to the Marshall Public School District and the community.
4. Honors received for outstanding performances.
5. Offices held and professional assignments completed in education-related activities.
6. Recognition deemed appropriate by the Board.

The administration, staff, public and/or Board members may make recommendations for recognition and commendation.
