**SUMMER SCHOOL**

The Marshall Public Schools may offer students an opportunity to participate in summer school programs when there is enough student interest and available funds. All summer school programs must have the approval of the Board.

The purpose of summer school shall be for enrichment, maintenance of skill, remediation, and make up courses by students. Courses offered in summer school shall be based on needs and interests of students.

All children residing within the district boundaries during the summer session shall be considered resident students of the district for summer school purposes. Summer school shall be provided without cost to district residents, except for a nominal fee to cover the cost of materials used in class. Such fees shall be payable upon registration.

Children residing in other districts and registering for attendance at summer school programs offered by the district may attend such programs with the approval of the district administrator and upon payment of tuition.

Attendance of students at summer school shall be strictly voluntary. Students enrolling in summer school shall, however, be expected to attend on a daily basis.

Students shall be expected to provide their own transportation to and from summer school classes.

Summer school shall be operated in accordance with state aid provisions outlined in the state statutes.

Recommendations for teachers who will serve in the summer school program will be made by the administrator who is assigned to coordinate the summer school program and the district administrator for Board of Educational approval.

Criteria used for selection of summer school teachers will include, but not be limited to:

1. Successful experience in the Marshall Public Schools summer school program.
2. Successful experience in the Marshall Public Schools regular school year program.
3. Successful experience in another school district's regular year or summer school program(s).

4. A willingness to write course proposals for possible summer school offering.

All certified teachers who serve as a teacher in summer school will be compensated according to the provisions of the Employee Handbook.

The Marshall Public School District will not discriminate against pupils or staff on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability or handicap in its educational programs or activities.
