VOLUNTEER COACHES

The Marshall Board of Education is committed to using volunteers from the Marshall school community to assist in the educational process for students. Therefore, volunteer coaches may be utilized in the district as needed.

Guidelines shall be developed which define the relationship of volunteer coaches to professional staff and detail procedures to be followed for the recruitment, selection and evaluation of volunteer coaches.

Certified coaches and administrators shall periodically review and evaluate the utilization of volunteer coaches as it relates to the educational program for students. Recommendations for revision of the utilization of volunteer coaches shall be made to the District Administrator.
