Board Exhibit 363.2

STUDENT INTERNET ACCEPTABLE USE CONSENT FORM

Acknowledgement of Consent and Acceptance of Policies, Rules and Procedures

The use of the Internet and other District technology and communication resources by students is a privilege, not a right. Students will take personal responsibility for their behavior while using these resources. It is expected that students of the Marshall Public Schools will conduct themselves in a responsible manner and comply with Board Policy 363.2, Acceptable Use of Technology and Communication Resources by Students.

Failure to follow established procedures, rules and policies may result in disciplinary action, up to and including loss of the individual's access to the Internet, or suspension of computer lab or access privileges. Serious abuses may result in suspension or expulsion from school. When applicable, law enforcement agencies may be involved.

I, _____ (*student name*), agree to comply with the Marshall Public Schools' Board Policy and Board Rule on *Acceptable Use of Technology and Communication Resources by Students* and understand that failure to comply with them may result in loss of Internet access, suspension of access or computer lab privileges, and/or other disciplinary or legal actions.

Student Signature _____ **Date** _____

PARENT CONSENT

Internet/Technology Access

Check One:

- I DO** give permission for my child to use the Internet and/or district technology resources for educational purposes at school. In giving this permission, I accept the conditions for such use outlined in the District's Board Policy on *Acceptable Use of Technology and Communication Resources by Students* and understand that failure to comply may result in loss of Internet access, suspension of access or computer lab privileges, and/or other disciplinary or legal actions.

- I DO NOT** give permission for my child to use the Internet and/or other technology resources for educational purposes at school.

I acknowledge that as a student enrolled in Marshall Public Schools, my child will have a school district Gmail account in order to engage in learning opportunities and educational research, as well as to access educational materials.

Parent Signature _____ **Date** _____

Return this form to the school office. Students without a signed form on file may be denied access to resources, including login and password information.
