

## MARSHALL PUBLIC SCHOOLS

### SERIES 400 STUDENTS

453.2

#### STUDENT IMMUNIZATIONS

The district, pursuant to state law, shall require all public school students to present written evidence of immunization against certain diseases within 30 school days of admission. Students enrolled in pre-kindergarten through grade 12 must meet the minimum immunization requirements. These requirements may be waived only for reasons of health, religion or personal conviction.

The district shall report to the local health department on the compliance of students each year by the 40<sup>th</sup> day of school. Updated reports shall be filed on students who are in the process of being immunized.

In cooperation with public health agencies and officials, the Board shall develop and implement a plan to encourage compliance with state student immunization requirements. The plan shall be submitted to the appropriate state agency as required by law.
