Parent/Guardian signature

---

Your child may return to school after treatment and removal of nits. The School Nurse or his/her designee shall check your child for lice and nits when he/she returns to school and every week for four weeks or until assured that his/her head is clear. Please send this form to school with your child and ask him/her to take it to the office.

Thank you!

Date of Adoption:     October 18, 2006
