STAFF RETIREMENT

There shall be no compulsory retirement age for any employee in the Marshall School District. The Board does, however, reserve the right to terminate an employee if he/she cannot perform the normal duties and essential functions required of that position.

The Board shall contribute toward each employee's Wisconsin Retirement System (WRS) account as required by law. District employees shall contribute toward his/her WRS account as required by law.

Early retirement may be requested by personnel in accordance with provisions of their contract or the current employee handbook.

The Board reserves the right to re-employ retired teachers or administrators on a year-to-year contract basis.
