

We are proud to offer a locally produced cheese and sausage item from one of our very own, past Marshall FFA member! Bryanna Kurt was a member of the Marshall FFA from 2004 – 2012. She served as an officer for several years, competed on a variety of teams, attended numerous leadership and service events, and helped mentor youth in our Pals program. She received her State FFA Degree in 2010 and her American FFA Degree in 2012. She has now turned her dairy SAE into her career.

Dylan and Bryanna Handel started the dairy farm B. Kurt dairy in September of 2014 with 16 cow and a rented barn on the outside of Verona, WI. In 2016 the Handel's bought a 53 acre farm in Barneveld, WI where they now have 103 acres and 75 Jersey cows and 50 head of young stock. Bryanna is on the farm full time taking care of all the day to day tasks with their 5 young children in tow. Dylan focuses on the field work on the farm along with working a few days a week building fence. 4 years ago in September the Handel's shipped their first 4000 lbs. of milk to Cedar Grove in Plain, WI to make custom B.Kurt dairy white cheddar cheese. Since then they have made over 8,000 pounds of cheese! They will be selling the cheese individually for \$8 a pound. The Handel's have also put together holiday boxes for the holiday season. The boxes are \$40 and come with 3 pounds of cheese (1lb of B. Kurt dairy white cheddar, 1 lb. of Colby Jack and 1 lb. of Pepper-jack **or** Colby) along with an 12 oz beef summer sausage! They have also put together a \$50 box the includes 3lb of cheese ( B.Kurt Dairy white cheddar, Colby-jack, and Pepper-jack **or** Colby) 12oz beef summer sausage, and Farm fresh Cheese curds! We thank you for supporting a young farming family
